Detailed Description of Use:
<p>Quizizz is a fun, learning tool that can be used to learn, review and assess. The teacher either creates a new quiz from scratch or creates a quiz from previous quizizzes. Once the quizizz is created, the teacher can decide if they want to run it as fun, competitive, live version or a homework assignment. Additionally, the teacher has the option to show correct answers as the quiz progresses or to hide the correct answers.</p>
